

A dental model of a maxillary arch is shown against a blue background. The model is a light-colored, semi-circular arch of teeth. The central incisors are highlighted with a dark blue outline, indicating they are the abutments for a bridge. The text 'Metacon' is overlaid in large white font, and below it, the text 'Confección de un puente paso a paso' is written in a smaller white font.

Metacon

*Confección de un puente
paso a paso*
